Subject: Pastor Dante

Jackie has asked me to send an email to let everyone know that the family wishes to be alone with Dante in his remaining hours. He no longer recognizes people so they are asking for no more visitors at this time. We also ask that you refrain from calling them as that takes them away from their time with Pastor Dante. Please keep them all in your prayers and pray that God will release Dante from his pain and suffering and give Jackie and the girls the strength they need in the days ahead. Rev. Reggie & Sharon Smith

Hello Family & Friends of Jackie & Dante:

I am sending this e-mail for my sister Jackie because her e-mail is not working. This is to let you know that the Hospice doctor, Dr. John Mulder, left Jackie & Dante's house at 11:30 AM this morning and before he left he told Jackie that if anyone wants to see Dante and have him recognize them, then they should see him today because by tomorrow he probably won't recognize anyone. Please pray for Jackie and her family in this difficult time.

Thank you for your prayers on their behalf.
