

Thank you Jud! This is perfect!

I arrived in Pennsylvania safe and sound. I have just finished the first day of orientation in Akron and finish up tomorrow before flying to Guatemala on Wednesday.

I so enjoyed meeting with you all and feel already very covered in the prayers and support of God's people. We will be in touch as we jointly carry out the work the Lord has for us to complete together.

May God bless you as you have richly blessed others!

With appreciation,
Shannon
