Subject: Update from Scotland

Greetings from cold and rainy Scotland!

It's hard to believe that we have been here for 4 weeks already, and we do apologize for not communicating with most of you sooner. The LDC is has been an extremely valuable and opportune course for us, but it is also very busy. Between projects, family, meetings, and a server that won't allow us to send messages to more than a few people at a time, we haven't been able to send out a short update before now.

Thank you to everyone who prayed for our trip over. We made it, although not without some stresses. Our luggage arrived later, but we have really been enjoying our time here. Ethan, in particular, has really enjoyed having Grandma all to himself during our class times.

We will be here for about another two and half weeks before returning to Thailand on June 6th. Please pray for the remainder of our time in the LDC as we believe there are still significant things that God would like to speak to us and do in us during this time. In addition, we'll also be applying for new one-year visas to Thailand within the next couple of weeks. Your prayers are greatly appreciated. Thank you!
