

Blessings to you in the precious name of Jesus.

Thanks to all of you who have responded to our emails with so much encouragement as we entered this transition time in the life of our family. We praise our Lord and savior for blessing us everyday without measure. It is amazing to serve a true and living God! Thank you so much for your prayers and words of encouragement.

Well, the process has begun. We have been here in Merida for almost a month, and now, we are getting ready to travel back to Collinsville to pack everything we can to bring here. We are having to let go of our belongings, and keep just what is necessary and what we are actually able to bring. It would be awesome to be able to do a full move of everything, but financially, it is not possible at all.

The kids and I (Altia) will be flying on Monday, July 2nd, and I will begin the final packing of our things, and will have a sell of everything we cannot bring. Mark will catch up with us later, since he will be driving our pick up truck back to the US to haul our belongings back to Merida on July 16th. We are praying for the buyer of the house to come into the picture now, so we can take care of the paperwork as we are there. Please, pray in agreement with us for that.

We are also praying for favor at the border to be able to get permits for both of our cars. Mark would be driving the truck, hauling a trailer, and I would be driving the other.

All of this brings me to something we would like to ask of you. **We are in need of an enclosed utility trailer.** Something around 6 x 12. If you own one and would like to sell it, or if you know of someone else who is trying to sell one, for a reasonable price, (or if someone just wants to get rid of one) would you please, let us know? We have been looking for them in different places, and the prices are higher than what we thought. You can contact us at: maejlegters@hotmail.com Or our US cell until July 15th is 618-406-2076,

or

Debbie Legters (Mark's sister) 618-407-6563

Mark will be driving from Mexico to the US and will go all the way from the border to IL. So, if something is found, we can work a way to pick it up.

If you would like to pray for us, here are some prayer requests:

- **The selling of the house** (it would be best if it happens while we are in Collinsville)
- **Finding a trailer**
- **Wisdom and discernment** in the packing. (the truth is that starting over requires much of it, since we need to let go of things we were used to, and have to learn to live without again.)
- **Supernatural favor** at the border to be able to get permits for our cars (and all the way through to the Yucatan).
- **For a joyous, safe and not exhausting trip** as we drive to Merida.
- **For John and Ellie to adjust smoothly to the change,** and learn Spanish again quickly and not feel intimidated.
- **For health and harmony among us as a family and as a couple** during this transition that can become stressful.
- **For full provision**
- **For our bodies to be able to adjust to 100 + degree weather**
- **For our testimony to be one where the favor of the Lord is with us** every step of the way.
- **For worshipful hearts** as we say goodbye to our Collinsville family.

Thanks again to all of you for being there for us with your prayers, support and encouragement.

May God Bless you abundantly.

In His love,
The Legters family
