Liberian Affiliate Works with UN for \$200,000 Contract

LEAD, a Partners Worldwide affiliate in Liberia, has received a contract through the UN/Central Bank to work with the International Labor Organization. The objective is to initiate the start up of 40 waste management businesses. The businesses, which will serve central Monrovia, are much needed. Waste management has huge ramifications for health and is essential for the future of any developing nation.

Are you In?

The Sea to Sea 2008 Bike Tour is poised to be the largest ever cycling tour to cross North America. Funds raised will support projects that help end the cycle of poverty for families and communities around the world. Partners Worldwide is one of three major recipients of funds raised. Please get involved and stay connected with the tour by subscribing to [On the Way | 2008](#), an e-newsletter filled with stories, links, quizzes, give-aways and more!
