

Family and friends,

As the Wise Men looked for the baby Jesus, may we continue to *seek, worship* and *bow* down to our King of Glory.

God's Treasure's Christmas party__

What is a party without a piñata? This is one of the things the children enjoyed at the annual Christmas party. Donations of food and toys made it a great celebration.

It was fun to meet the other family members and to see the smiles on the children's faces.

My Bible study and English classes will resume in January. Here in Nicaragua, people generally take off a couple of weeks for Christmas and New Years. This is the time in which we will hear a lot of fireworks, especially at midnight, and the Nicaraguans spend a lot of time at the beach.

Family news and prayer concerns

Our son David arrived on Monday and will be with us for a month. Chris will be coming in the middle of January and it will be good to have seen both of them. Of course, we will call our son LeeRoy and talk to our grandchildren whom we miss very much.

Please pray for the Menzor family. My brother in law, Charlie Menzor, passed away Wednesday morning. I am thankful that I did not have to be there, because I am not ready emotionally or financially. Also pray for the all the political parties here. The President of Nicaragua is making a lot of unwise decisions that is affecting his relationship with the Congress, and also his relationship with many other leaders in the Americas. Thank you for all your support and please remember that your gifts are **not** tax deductible. They can be sent to Ben and Kim McKnight, 8180 Country Pine Dr. S.E., Alto, MI. 49302.
