For the people who have joined our Ride Team in the Ride for Refugees

For the wonderful time we have had so far on home-service connecting with our partners in the Netherlands, Canada and America

For Bethel Bible College that there is positivity in its progress

### **Prayer Requests:**

For the orphan care center ... that God would continue to work in the hearts of the possible benefactor considering to fund its beginnings and the couple considering to head up its development and management that God would raise up additional benefactors...

For the people coming and considering to come out to join our team, that God would prepare their way...

For the upcoming Ride for Refugees, that more people would join our Ride Team and our Team's goal of \$50,000 would be reached! (by participating in this event, we can designate 50% of what we raise to a refugee cause of our choice – we have chosen to designate it to ministry to traumatized children in Uganda who were abducted by the LRA to be hard laborers, soldiers and sex-slaves and their families who were forcibly displaced by the LRA and by the floods ...

Karamojong in Uganda who have been forcibly displaced by their own violent warriors and by famine.

For remaining time on home-service in America, that it will continue to be effective and enjoyable

For Bethel Bible College, that it may continue in its positive progress and direction  
For our peace and trust in God as we seek to adopt again, and for His direction as we  
make decisions pertaining to this... Considering the suffering the people of our area have  
gone through and that people at their lowest point of despair are best able to see their  
need for Christ, the harvest is plentiful, but the workers are few. Please earnestly ask the  
Lord of the harvest, therefore, to send out more workers into His harvest field, into  
Uganda to join our team.

Feel free to email us with any comments or questions!

In Christ,

Tim & Angie
