Read: Luke 4:1-13

Reflect: When are you aware of the power and presence of personal evil in the form of Satan or his demons?

Dig: After carefully reading the two texts, answer the following questions: Who led Jesus into the desert to be tempted? What are the three temptations that Satan throws at Jesus? After each temptation, with what “ammunition” does Jesus respond? Does Satan know and recite scripture? How often does Satan use the word “if”? Why is that little word significant and what does it tell you about Satan’s tactics? Satan leaves him “until an opportune time.” When might that time come again? See Luke 22:39-46.

Apply: How could you use scripture to defeat Satan’s designs in your life?
