

“Daily Bread”
Small Group Bible Study
November 25, 2007

Read: Deuteronomy 8:1-3, Matthew 4:1-4

Reflect: Do you really pray for your daily bread with any urgency or regularity?

Dig: After carefully reading these texts, answer the following questions: What was God trying to teach the Israelites when he gave them “manna”? Where did the events of these passages occur? What was the core of the temptation for Jesus regarding turning stones into bread? What text did Jesus quote? What lesson did both Israel and Jesus learn? Why is it important that there are plurals in the phrase “give us this day our daily bread”?

Apply: What does praying this prayer have to do with how we receive food each day and also what we do with our money?
