Hot-----plateaued-----cold

Dig: After carefully reading this text, answer the following questions: Since this first verse of chapter 2 includes a “therefore,” what is the first chapter all about? What is the main concern of this warning? How is the salvation described? Can you find the three persons of the Trinity mentioned in this text? Why might that be important? What does the term “drift away” bring to mind for you? How does Hebrews 4:8-13 help you understand the message of this passage?
