S=Scripture Acts 10:1-44

O=Observation: Notice the various ways in which the spiritual life of Cornelius is described. See verse 2, verse 4, what the angel says, verse 22, and then, verse 46. Notice how Peter responds to the act of worship that Cornelius gave Peter in verse 26. How does Cornelius’s response to Peter give you clues as to his state of soul? Notice verses 27-29. What conclusions did Peter draw from the vision of verses 9 through 23 regarding the Gentiles? What price did Peter pay for his actions? See Acts 11:1-3.

A=Application: How have you moved from fearing God to praising him or magnifying him? What ethnic or social barriers has the Holy Spirit torn down in your life?

P=Prayer: Write out a prayer thanking God for his Holy Spirit direction to bring true worship into your life and to break down social barriers.
