**S=Scripture: Romans 12:1-8**

**O=Observations:** Note the command that Paul gives in verse 3. According to the beginning of the verse, what prompts him to say this? “Sober judgment” is a way of describing sound, right thinking. What does grace-shaped “right-thinking” about ourselves look like? How is it related to the statement at the end of verse 5? What does it mean to belong to each other? Why is “belonging to each other” not optional for the church? How are we held together and how do we grow? See Ephesians 4:11-16.

**A=Application:** What are the frustrations that go along with “belonging to each other”? What are the joys? Are the two mutually exclusive? In what ways is “belonging to each other” a means of grace in our lives?

**P=Prayer:** Write out a prayer based on your meditation on this passage:
