SCRIPTURE

I Corinthians 11:17-34

OBSERVE

After reading the text carefully, answer the following questions: What specific complaints does Paul have about the way that they celebrate communion? What two meanings does the phrase “body of Christ” have? What are believers supposed to do in preparation for celebrating the Lord’s Supper? What are we supposed to “remember” and what are we “proclaiming” when we have this meal? What are the results of not paying attention to the seriousness of this meal?

APPLY

How does your desire and practice of celebrating communion compare to this expression and call to observe this meal? How would you like our church and your own worship responses to change as a result of meditation on this passage?
