"How will I know when my donation is processed?" Members receive an immediate confirmation via text that their donation has been received. After a text donation has been processed, it appears on the member's credit card statement.

"How quickly are my text donations deposited?" Text donations are electronically deposited into the church bank account within 2 to 4 business days for credit and debit card transactions.

"Are all contributions set at a fixed dollar amount?" No. The member chooses the amount of the donation.

"Are members assessed any special fees?" No, The Church pays the transaction fees. But normal text messaging fees from their cell phone carriers may apply.

"Are text donations ever charged to a member's mobile phone bill?" No. Donations are processed using the payment method specified in the member's online profile. Phone carriers handle only the text message, never any financial information.

"How can I see if my gift got to the right account?" While your **text receipt** shows your gift was received, the **email receipt** shows details: your personal info, address, and account number. You will also find the information regarding to which fund your gift went: **FOR EXAMPLE**, in the email:

Total Text Giving: \$25.00 [shows gift amount you texted]
