

# MADISON CHURCH COVID-19 PHASE IN

To follow Christ together as diverse communities during this pandemic Madison Square Church has created a COVID - 19 Phasing In Taskforce. The taskforce has leaders and staff from each site, diverse representation, and multiple backgrounds from medicine to ministry represented.

Our Taskforce works with leadership to create congregational guidelines to reduce the risk of spreading the virus. We hope to help our congregation understand the health risks of COVID-19, create phases of protocols which articulate safety guidelines that adhere to CDC, MI, & Kent County Health Department recommendations, and live out our Madison Church mission.

If you are having an in-person gathering ask these questions beforehand & if you reply yes to any please stay home:

- Have you had a fever 100 degrees or over in the last 24 hours?
- Do you have a severe cough?
- Do you have shortness of breath?
- Have you had any recent unmasked exposure with a person who has had a positive COVID-19 test?
- Have you had diarrhea or vomiting the last 24 hours?
- Have you lost taste or smell?

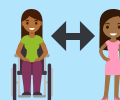

Our Madison Square campus buildings are in use for 10 or less people in small gatherings according to current State and County Health recommendations. Until we reach Phase 5, gathering size will remain at this level.

We have sanitation and hygiene standards in place for our buildings. Rooms are disinfected after each use and sign up is required beforehand through the office.

We are continuing to gather through online connection points & all Madison sites will provide continued online connections through Zoom & Youtube - let us know if you need help with access.

A face mask or covering is mandated inside public spaces and in crowded outdoor settings. Keep six feet distance from others.

Remain connected even in a time when we cannot corporately gather. Please reach out if you need tangible assistance, a small group connection or prayer.

“What is God up to?” We desire to be in prayer and listen to the Holy Spirit. As the Body of Christ we seek to love God and love our neighbors.
